	Under the Big Top (Circus)	Imagination	U - Z		Colors	could		Review	

We follow "The Creative Curriculum" and allow staff to use their own experiences. We use WEMLS to help plan our lessons.

The 5 Domains in WEMLS are: Health & Physical, Social & Emotional, Language & Communication Development, Cognitive & General Knowledge, Approaches to Learning.

Activities do not happen in this order or time frame. This is a resource for the staff when planning lessons.
